

September 2010 200 Yd High Power Rifle Match
Gopher Flats, High Power Rifle Match, September 25, 2010
National Match Course

The September 25th match was attended by 7 competitors. Conditions were clear and warm; winds were mild from the 6 o'clock position. The match started just before 9 AM and was complete at noon.

Mike DeSantis volunteered to assist in setting up and helping run the match. His efforts are appreciated and made it possible to run smoothly with an odd number of competitors. A new shooter, Mark Bower, joined us for his first match beyond 100 yards and did very well. Personal thanks to Mark for coming out and benefiting from the experience. We hope to see him as a regular at our matches.

The Western Games will occur in October at the Ben Avery Range in Arizona. Many of our competitors have been training at our matches for this event. I would like to thank them for their discipline and for the support of our program at the Big Bore Range. Best wishes for a successful trip to Arizona. We'll see you there.

Tommy M. Temple, Match Director
