

April 2011 200 Yd High Power Rifle Match
Gopher Flats, High Power Rifle Match, April 23, 2011
National Match Course

The April 23rd match was attended by 11 competitors and 1 guest. Ray Burke, our guest, volunteered to pull targets in the pits and was a great help in making the match run smoothly.

Service rifles were dominant at this month's match with only two match rifles on the line. Conditions were cool and overcast with a slightly fishtailing wind from the 6 o'clock position. Light conditions were variable providing a challenge to the service rifle shooters.

The lower gate was open when the match director came aboard at 7 AM. Range was inspected, gear was dropped at the pits, and Mike DeSantis assisted in setting up targets. Sign in started at 7:30 AM, squadding and safety brief took place by 8:15 AM, match was underway by 8:30 AM.

New target frames and backers were used this month with favorable reports from some competitors. Both relays were complete with the match by noon. Competitors assisted in stowing the gear and policing the area, a big thanks for the assistance.

Match winner and high service rifle was Tony Chow with a score of 489-10X. Second place went to Robert Coffey with a 475-11X and third was Brian Fisher with a 474-16X. Both Robert and Brian fired match rifles. Congratulations to Steve Caplan, one point shy of a Master score. Welcome to Able Schwartz on his first 200-yard match. And thank you Ray Burke for volunteering for pit duty.

Next month we will host another 50 round National Match Course on May 28th, please mark your calendars. Lopez Canyon will hold their Work Party this coming Saturday, April 30th; please come and join in if you can. Stay tuned for the upcoming May match announcement.
